

# PRODOOR™

**PRODOOR - Temporary door protection panels provide superior impact, scratch and puncture resistance. PROBand™ V80 vertical rubber bands automatically align PRODoor to the bottom of the door and hold securely in place for fast and easy installation. Pre-cut door hardware locators and ½" door stop crease assures doors close properly.**

**Designed to fit 32", 36" and 48" wide doors.**

**LEED® Compliant - 100% Recyclable**
